

Minutes - Spring 2001 Meeting

A joint WAMATYC/ORMATYC General Membership Meeting was held at 8:15 am on April 21, 2001, at the 33rd annual Washington Community College Mathematics Conference in Stevenson, Washington.

Emily Woods and Doug Nelson were the two who spoke as WAMATYC representatives. The minutes had been put on the breakfast tables. Emily Woods, President, asked for corrections on the minutes. She mentioned that, unlike ORMATYC, WAMATYC does not sponsor the annual conference but WAMATYC does have the goal of being the community college resource for our state.

Alice Kaseberg, AMATYC NW V.P. discussed the purpose and sole emphasis of AMATYC is the 2-year colleges. She discussed other membership advantages such as grants and the AMATYC website. She complemented the WAMATYC website as very helpful and convenient. (Bravo, Sally Keely!) 2002 WAMATYC and ORMATYC Conference Information was shared. Emily helped give out the awards to the conference puzzle winners. David Nelson announced the Student League team winners and their scores. Green River CC came in third with a team score of 315; Whatcom CC had a team score of 339 in second place while first place for the Pac NW went to Bellevue CC with a team score of 354.5. Bellevue received the \$50 check from WAMATYC for their excellent score!

It was announced that there were 136 Oregon participants. Special guests were recognized and the meeting closed at 9 am.
